FROM: Executive Councilor Christopher C. Pappas
DATE: May 16, 2013

The Governor and Executive Council met on Wednesday, May 15, 2013, in the Executive Council Chamber at the State House, Concord, NH and considered an agenda of approximately 106 items.

The next scheduled Governor and Executive Council Meeting will be held on Wednesday, June 5, 2013 at 10:00 a.m. in the Executive Council Chamber at the State House Concord, NH.

The Governor and Council met at the Business Finance Authority and were briefed by the director and board members about its important work in offering financing and keeping and creating jobs in New Hampshire. At 10 am, the Council convened at the State House. Here's an overview of today's G&C meeting, focusing on issues with both statewide and District 4 significance:

Nominations

Governor Hassan nominated Ingrid White of Bow, NH as the Deputy Commissioner of Banking; Peter Hastings of Derry, NH as Commissioner of the Department of Information Technology; Roger Sevigny of Manchester, NH to another term as Commissioner of Insurance; John Beardmore of Hopkinton, NH as Commissioner of the Department of Revenue; and Kerry LeBlanc of Bedford, NH to the Fire Standards and Training Board.

Confirmations

The Council confirmed Germano Martins of Hooksett, NH to the New Hampshire Retirement System Board of Trustees and Vincent Greco of Pembroke, NH to the Fish and Game Commission.

Hillsborough Branch Rail Contract

The Council rejected, on a 3-2 vote, a proposed contract with Pan Am Systems to provide freight service on the Hillsborough branch rail line that runs from Wilton to Bennington. One customer, Granite State Concrete, is currently served on the line by the Milford-Bennington Railroad Company, which lost the contract because of a deficient bid. The rejection sends the Department of Transportation back to the drawing board to possibly come up with a new RFP. I opposed the contract because I saw no evidence that the freight customer would be willing to work with Pan Am. If that were the case, the line would fall out of service and the state would see no revenue from the deal.

Health and Human Services

The Council approved several large contracts with regional agencies to continue the Women,

Allenstown, Auburn, Barrington, Bedford, Bow, Candia, Chichester, Deerfield, Epsom, Goffstown, Hooksett, Lee, Londonderry, Loudon, Northwood, Nottingham, Pembroke, Pittsfield and the City of Manchester

Infants, and Children (WIC) and Commodity Foods programs. In addition, items were approved to provide funding to a program to provide visiting services for pregnant women and for child care referral services. All programs are 100% federally funded.

Food Bank Garden

The Council approved an item to permit the New Hampshire Food Bank to operate a 3.5 acre garden on state land adjacent to the Youth Development Center in Manchester. Food grown on the site will be given to needy families across the state and will also be used in the Food Bank's culinary training program.

New Hampshire Travel and Tourism Marketing

The Council approved a \$9.9 million two-year contract extension with Rumbletree, Inc. to provide domestic and international advertising and promotional services for the state. The state signed its first contract with Rumbletree two years ago, which resulted in the "Live Free and ..." branding effort. It is expected to produce long-term benefits for New Hampshire's tourism industry. The contract includes \$8.5 million in media buys.

Community College Campus Sale

The Council authorized the sale of the former community college at Stratham for \$2.75 million. The buyer is a high tech manufacturer, Juliet Marine Systems, who will bring jobs to the state and will partner with the Community College System on vocational training.

Transportation

The Executive Council approved several paving contracts for sections of highways around the state as well as a contract to replace two red list bridges on Route 1 bypass in Portsmouth. In addition, federal funds were approved for the regional planning commissions around New Hampshire, which undertake critical transportation-related planning activities.

Today's complete agenda is available [here](#), and the minutes and audio recording will be posted there shortly. The next G&C meeting will be June 5, 2013. Stay tuned for future updates, and please don't hesitate to contact me with your thoughts or concerns.
